**FOR IMMEDIATE RELEASE (January 30, 2007) Discovery Kids Canada has picked up the feature length HD version of re:think Entertainment's *A Year On Earth*.**

**Produced by Bahati Productions (USA) in association with the Earthwatch Institute, *A Year On Earth* follows three idealistic teenagers - Jamie, Arsen & Tyler - on a round-the-world discovery of some of the world's wildest places and most endangered creatures.**

**"We are very excited to add *A Year On Earth* to our library of programming on Discovery Kids." said Brenda Nietupski, Director of Programming, Treehouse and Discovery Kids. "It is a great way to educate, entertain and build awareness with our young audience about the state of the environment and what they can do to help."**

***A Year On Earth* will air on Discovery Kids on April 22, 2007 as part of their Earth Day lineup.**
