

New take on drugs

RE:THINK Entertainment, on its fifth visit to MIPCOM, has a new slate of finished programming and is seeking international pre-sales for an HD documentary currently in pre-production - Cocaina: The Untold Truth (1 x 90 mins/1 x 60 mins). The programme focuses on Bolivia, looking at the personal stories of indigenous traffickers and the contradictions related to the delicate issues of a 45-year war on drugs.
