

HOLISTIC HEALING

8 X 30'
health/lifestyle
series

Sometimes, to leap forward, you need to take a few steps back.

Holistic Healing reveals how natural life forces around us can be harnessed to heal us holistically - mind, body and soul.

Each episode brings together stories from various parts of India, woven together in four engaging sections:

Nature's Touch, Soul Therapy, New Age Materials and Heal Yourself.

Topics such as Naturopathy, Reiki, Music Therapy and Organic architecture make this series interesting and engaging for those 'new age' viewers in search of ancient secrets.

North American rights available.
