series

Magic Unlimited is Europe's youngest and most spectacular live performance magic series. Its talented young stars, Oscar, Renzo & Mara have become a phenomenon in the Netherlands, their show starbursting with special effects, romance, music and the most astonishing illusions on stage today.

Originally broadcast on the TROS Family Network, Magic Unlimited is recorded live in front of an all-ages audience in a specially built theatre. The trio have also performed worldwide, appearing at Caesars Palace in Las Vegas with superstar illusionists David Copperfield and Siegfried & Roy.

Each episode is made up a visually astonishing stage show, interspersed with brief international on-the-street magic performances, where Oscar, Renzo & Mara meet everyday people and bring magic into their lives. Episode One also gives viewers an introduction to our Stars, and a little history of how it all began.

International Versions

Versions have been created specifically for the international market, featuring minimum dialogue (English) and maximum illusion combine to entertain and amaze families worldwide

Additional marketing opportunities exist to extend the brand globally, including action figures, toys and the mysterious Magic Box of Tricks, so that families can capture the magic at home.
