Race Car Driver takes you onto the track, into the pit, and behind the scenes of champion race car drivers and Grand Prix racing. Season I captures the grit and drama of the 2005 Champ Car series, in Season II, the bad boys (and girls) of Champ Car are back, and the competition is more intense than ever as they battle it out to reach the top of the podium in the International 2006 World Championship. Top drivers from the U.K., Canada, U.S., Australia, France, Spain, Mexico and Brazil are determined to win at all costs and play for keeps. Off the track, they play as hard as they race, savoring the luxury lifestyles and expensive toys they earn.

Top drivers like France's Sebastien Bourdais, and his teammate, Spain's Oriol Servia, racing for the team owned by Hollywood film star Paul Newman and veteran racer Carl Haas, compete in an intense rivalry against Canadian Paul Tracey. Mexican Mario Dominguez, Brazilian Cristiano da Matta, American Jimmy Vasser and an international contingent of drivers, all fighting to reach the top of the podium at the end of the season.

Each episode of Race Car Driver is filled with fierce competition and touching camaraderie, high-stakes strategies and bigger than life egos - all in the glamorous and adrenaline fueled environment of world class Grand Prix tracks across the US, Canada, Mexico, South Korea and Australia.
