

## THE ACHE

1 X 90' HD  
feature film  
drama/thriller

**The Ache** tells a tale of a family overwhelmed with sexual demons and lingering evil, combining a contemporary story of conflicted eroticism with elements from the fantastical Chinese Literary tradition of Liao Jia (strange tale).

Sheri, a Chinese woman in her early 20's, has always believed her family to be haunted by an evil spirit. The evil spirit has caused deep psychological impact on Sheri, who works as a sex trade worker in a fetish dungeon. One night she comes across a strange woman rummaging through the family garbage can. She investigates and discovers the woman has had a longstanding love affair with her father, Wooie. While struggling to put the strange pieces of their past together, Sheri concludes that she's up against a modern day demon who has pushed her family to the brink of madness, and with the help of her introverted friend Cosmo, sets out to fight the angry and vengeful spirit.

A bizarre melange of modern family, folklore and fetish – *The Ache* is a unique creative partnership between award-winning Chinese-Canadian director Keith Lock and sex columnist/poet Louise Bak.
